

General

|                  |                            |
|------------------|----------------------------|
| Width (mm)       | 24                         |
| Height (mm)      | 24                         |
| Housing Color    | Grey                       |
| Housing Material | Aluminum                   |
| Mounting         | mounting brackets included |
| Cable Type       | H05RN-F3xG1                |
| Connector        | M16 - 3 pin                |
| Length (mm)      | 1200                       |
| Weight (g)       | 960                        |

Electronics

|                       |         |
|-----------------------|---------|
| Input Voltage         | 48 V DC |
| Power Consumption (W) | 16      |

Lighting

|                              |                |
|------------------------------|----------------|
| Optics (°)                   | 115            |
| Luminous Flux                | 360 lm/m (RGB) |
| Color Range                  | RGBW           |
| LED Quantity                 | 48             |
| LED Type                     | 4in1           |
| Colour Rendering Index (CRI) | 80             |
| Color Temperature (Kelvin)   | 3000 K         |

Control

|                    |         |
|--------------------|---------|
| Control            | SPI     |
| Compatible ICs     | UCS9812 |
| Number of Channels | 192     |
| Pixels per fixture | 48      |

Environmental

|                       |              |
|-----------------------|--------------|
| Storage Temperature   | -30 ~ +65 °C |
| Operating Temperature | -20 ~ +55 °C |
| Impact Protection     | IK08         |
| Ingress Protection    | IP68         |

CE IP68 2<sup>year</sup> warranty
